

**SHARE THE EXPERIENCE!**

**School Group Referral Form**

We hope you enjoyed your recent school group experience at Crow Canyon. Do you know of any educators at schools other than your own who would be interested in hearing about Crow Canyon’s field trips or overnight school group programs? If so, please fill out the form below—we’ll contact the schools you recommend and provide them with information about Crow Canyon school group opportunities.

We would like to thank you for spreading the word about Crow Canyon! When you return this form to us, we will send a special gift to you at the address you provide below. If a school you recommend attends a Crow Canyon program within the next two years, your school will receive a **\$300** discount on its next program. To receive the \$300 discount, the school you recommend must not have attended a Crow Canyon school group program in the last four years. Your school’s discount offer will take effect after the recommended school has attended a program.
