### **Teacher Recommendation**

Applicant's Full Name: \_\_\_\_\_

A teacher recommendation is required for scholarship applicants to be considered for Crow Canyon **High School Field School** scholarship assistance. Your recommendation is seriously considered in the selection process and the application will not be reviewed until this documentation is received.

On a separate sheet of paper, preferably school letterhead, write a recommendation for your student. Include the student's full name at the top of the sheet. Please comment on the student's academic ability, attitude, ability to work as part of a team, and performance. Explain what you believe your student will gain from the **High School Field School** experience, as well as what he/she can bring to the program. It's important to include your name, school name, address, phone, and e-mail at the bottom of the letter.

We appreciate your time and input!

Please mail or e-mail this page, along with your recommendation to the address listed below.
