

Teacher Recommendation

Applicant's Full Name: _____

A teacher recommendation is required for **High School Archaeology Camp** scholarship applicants to be considered for Crow Canyon scholarship assistance. Your recommendation is seriously considered in the selection process and the application will not be reviewed until this documentation is received.

On a separate sheet of paper, preferably school letterhead, write a recommendation for your student. Please comment on the student's academic ability, attitude, ability to work as part of a team, and performance. Explain what you believe your student will gain from the **High School Archaeology Camp** experience, as well as what he/she can bring to the program. It is important to your name, school name, address, phone, and e-mail at the bottom of the letter.

We appreciate your time and input!

Please mail, e-mail or fax this page, along with your recommendation to the address listed below.
